**AFFIDAVIT IN SUPPORT  
OF MOTION FOR PARTIAL  
SUMMARY JUDGMENT  
AND OTHER RELIEF**

STATE OF COLORADO     )  
                                  ) ss.:  
COUNTY OF BOULDER    )

DAVID KARPEL, being duly sworn, deposes and says:

1. I am a Senior Workout Officer for Key Equipment Finance, Inc., a Michigan corporation and wholly owned subsidiary of Key Bank National Association. The Defendant, Key Government Finance, Inc. ("Key"), is a Colorado corporation and a wholly owned subsidiary of Key Equipment Finance, Inc.. I am charged with the administration of the financial transactions hereafter described and fully familiar with the facts and circumstances as set forth herein, based upon my personal knowledge or from my review of books and records maintained by Key in the ordinary course of its business. I submit this Affidavit in support of Key's application to the Court: (i) pursuant to Rule 56 of the Federal Rules of Civil Procedure, granting summary judgment as to Key's Fourth Amended Counterclaim against Plaintiff, Overseas Lease Group, Inc. ("OLG"), which seeks a declaratory judgment declaring that Key, as OLG's assignee and lienholder,<sup>1</sup> has the right to recover possession and to dispose of the vehicles described

---

<sup>1</sup> Key's Fourth Amended Counterclaim seeks relief as either title owner or assignee/lienholder. For purposes of this motion only, Key is only seeking relief with respect to its rights as a lienholder and assignee.

below whenever OLG would be or have been entitled to recover possession of such vehicles and to dispose of them; (ii) pursuant to Rule 42(b) of the Federal Rules of Civil Procedure, severing and continuing Defendant's First, Second, Third, Fifth, Sixth, Seventh, Eighth and Ninth Counterclaims against Plaintiff; and (iii) pursuant to Rule 54(b), granting certification of the summary judgment on Defendant's Fourth Amended Counterclaim against Plaintiff.

2. This motion has been necessitated by OLG's interference with Key's rights to enforce all of its rights and remedies to recover possession of and to dispose of the vehicles described below as and when they come off lease, including OLG's failure and refusal to turn over and deliver to Key the titles, title certificates and all indicia of ownership of the vehicles so as to enable Key to convey title to prospective buyers of the vehicles, in direct contravention of Key's rights as OLG's assignee pursuant to its written agreements. Key is in imminent danger of losing prospective buyers for 77 of the subject vehicles at \$25,000 each, for a total proposed sale of \$1,925,000. By precluding Key from consummating the sale of those vehicles, which depreciate with each passing day, Key will suffer direct and immediate material financial loss. In addition thereto, the location and nature of both the vehicles and Key's prospective buyer creates exigent circumstances for its ability to consummate the proposed sales. The vehicles consist of all-wheel drive, non-armored vehicles located in the war zone of Afghanistan. In this territory, these types of vehicles are scarce and at significant risk of damage or total loss as they sit unprotected in a field storage lot. The prospective buyer for 70 of these vehicles requires the vehicles in connection with a contract to provide necessary security services to the U.S. Embassy in this war zone, necessitating an expeditious resolution to Key's Fourth Amended Counterclaim so that it may complete the sale as soon as possible. Key has been constrained to seek this relief since OLG has asserted that Key cannot take any action to dispose (by re-lease or sale or

otherwise) of the vehicles, claiming that only OLG can take such actions. An expeditious resolution of the issue concerning Key's rights with respect to the disposition of these 70 vehicles will also provide needed clarity with respect to Key's rights as to additional vehicles that remain under contract with the Department of Defense as and when they come off lease.

3. As will be shown below, there are no genuine issues of material fact to be tried as to Key's right to possess and dispose of the vehicles, as OLG's assignee and as lienholder, based upon the clear and unambiguous language of the written agreements between Key and OLG.

### **The Agreements**

4. Key conducts financing activities in all 50 states and in several countries. OLG is in the business of purchasing vehicles, including trucks and armored trucks, and leasing vehicles primarily to the United States Department of Defense (the "DOD") for use in connection with United States military operations in Afghanistan.

5. OLG and the DOD entered into a certain contract, Contract No. W91B4M-06-D-0001 (the "DOD Contract") dated as of February 5, 2006, pursuant to which OLG leased to the DOD and the DOD leased from OLG, the property described therein and on certain "Task Orders" issued by the DOD consistent therewith (the "Vehicles"). Copies of relevant excerpts from the DOD Contract are annexed hereto as Exhibits "A" and "B" and incorporated herein by reference.

6. Pursuant to various Assignment of Proceeds Letters thereafter issued by OLG to Key in connection with the DOD Contract, OLG invoiced Key and Key funded the proceeds due under invoice for payment of the Vehicles leased by OLG to the DOD. In total, Key paid funding proceeds in the sum of \$26,231,059.00 to OLG.

7. By Assignment Agreement dated as of April 1, 2006 (the "Assignment Agreement") by and between OLG, as seller, and Key, as purchaser, OLG indisputably sold, assigned, transferred and set over unto Key all of OLG's "right, title and interest in and to (but none of its obligations under) the [DOD Contract]" and

"all amounts due and to become due under the Contract, including (without limitation) payments, insurance proceeds, and all monies payable or recoverable following a default or non-appropriation by [the DOD], and a first priority lien in favor of Purchaser in and to the Property, together with all proceeds (cash and non-cash, including insurance proceeds) of the foregoing and all of Seller's rights and remedies under the Contract, including (without limitation) the right to initiate and conclude any and all proceedings, legal, equitable or otherwise, that Seller otherwise might take, save for this Agreement". (Emphasis added).

A copy of the Assignment Agreement is annexed hereto as Exhibit "C" and incorporated herein by reference. See Sections 1 and 2 thereof.

8. Pursuant to Section 6 of the Assignment Agreement, Key "shall have all of the rights of [OLG] under the [DOD] Contract, but none of [OLG's] obligations thereunder...". See Exhibit "C" at Section 6.

9. In accordance with the terms of the DOD Contract, the DOD provided OLG with, among others, Task Order #31, pursuant to which OLG leased to the DOD and the DOD leased from OLG seventy (70) Vehicles identified therein (the "TO #31 Vehicles"). Key financed OLG's lease of the Vehicles (as indicated in the Assignment of Proceeds letters) based on a 5 year contract, although the DOD was only committed to the first year, with 4 option years in which it had the right on a year-by-year basis to "non-renew" the transaction and return the Vehicles to OLG (and, once OLG assigned the lease(s), to OLG's assignee -- here, Key).

10. On or about September 11, 2007, the DOD gave notice of its non-renewal of its lease of the TO #31 Vehicles, which expired on November 30, 2007, and returned said Vehicles

to OLG on or about December 1, 2007 in accordance with the DOD Contract. Several months thereafter, the DOD indicated an intent to return and not exercise its option with respect to the majority of the other remaining Task Orders covering non-armored vehicles.

11. OLG (and hence Key) is entitled to possession of the Vehicles under TO #31 since the DOD did not exercise its option to extend the term of the DOD Contract under Sec. 52.217-9 thereof (the relevant portions of which are annexed as Exhibit "D" hereto). Attached as Exhibit "E" is an email dated September 17, 2007 from Sergeant Marlon T. McGee informing that all Vehicles regarding TO #31 will be turned in, with responding emails from No Lemon (the field storage lot to which the Vehicles would be surrendered) acknowledging the same. Further, on March 31, 2008, Lt. Col. Branley Fishel wrote to OLG that "as Task Order 31 has expired, [the Government] needs to return the vehicles to OLG asap". (See Exhibit "F" hereto). There is no dispute that these Vehicles have already been returned, no option to renew has been exercised and Key, as assignee of all of OLG's rights under the Assignment Agreement, should be free to dispose of the Vehicles as secured party.<sup>2</sup>

#### **OLG's Refusal and Failure to Permit Key to Dispose of its Collateral**

12. Upon the expiration of TO # 31, Key contacted OLG to confirm that OLG would cooperate and deliver title to the TO #31 Vehicles in the event that Key found buyers through its own efforts, and OLG verbally agreed to do so. Relying upon OLG's agreement, Key undertook efforts to sell or remarket the TO #31 Vehicles.

---

<sup>2</sup> As indicated by Key's counsel in the pre-motion conference, Key does not seek any finding that OLG or Key is entitled to possession of any Vehicles under the DOD Contract (although Key believes it is entitled to such possession). Key only seeks by this motion an order declaring that when, under the DOD Contract or applicable law, the lessor OLG may recover possession of the Vehicles and dispose of them, that right belongs to Key as OLG's assignee.

13. In or about February 2008, Key successfully located a prospective buyer for seven (7) of the TO #31 Vehicles, for a total purchase price of \$175,000.00.

14. In or about February 2008, Key informed OLG that it had located a prospective buyer for seven (7) of the TO #31 Vehicles.

15. Most recently, this prospective buyer obtained funding for the immediate purchase and delivery of four (4) of the Vehicles, and has agreed to purchase the remaining three (3) vehicles in June. Key now has a prospective buyer for an additional seventy (70) Toyota Land Cruisers, which are comprised in part from TO #31 and in part from Task Order #25 (which has also expired), at \$25,000 each, for a total proposed sale of \$1,750,000.

16. Despite Key's demand therefor, and contrary to its verbal and written agreement, OLG has intentionally, and without cause or justification, failed and refused to turn over the titles for the Vehicles, including the Vehicles for which Key has located prospective buyers, thereby precluding Key from consummating the sale of those Vehicles. Rather, OLG commenced this lawsuit against Key.

17. OLG's failure and refusal to turn over the titles for the Vehicles is in derogation of Key's rights to the Vehicles as OLG's assignee and lienholder under the Assignment Agreement and its rights to remarket those Vehicles as its collateral.

18. In the absence of clarity with respect to Key's rights to recover and sell its collateral, including obtaining the titles from OLG and its cooperation in permitting Key to consummate the sale of its collateral, Key stands to lose its prospective buyers of the Vehicles, at a significant and material financial loss to Key. OLG would have the Court believe that Key has no remedy to dispose of the Vehicles on terminated contracts. There is nothing in the agreements

that prevent Key from enforcing its rights against the Vehicles, as assignee and secured party.

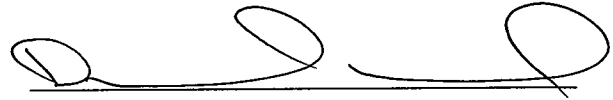

This will continue if future vehicles are returned by the DOD.

19. In addition to TO #31, Task Orders pertaining to the leases of more than 90 additional non-armored Vehicles are soon due to expire in the upcoming months and the DOD has indicated that it is not likely to exercise its options to renew those Task Orders for part or all of their remaining terms. Pursuant to the Assignment Agreement, it is undisputed that Key likewise holds a security interest in the more than 90 additional non-armored Vehicles subject of the other Task Orders that are soon due to expire. As with TO #31, OLG has failed and refused to permit Key to dispose of those Vehicles as well, and has taken the position that Key has no rights to protect, preserve and dispose of this collateral, all in direct contravention of its contractual obligations and agreements and the complete and absolute assignment of all of OLG's rights.

20. OLG's aforesaid conduct has interfered, and continues to interfere, with Key's contractual and business relations with the prospective buyers for the seventy-seven (77) Vehicles. This has caused, and will continue to cause, significant financial damage to Key, particularly as more and more of the Task Orders expire and the Vehicles depreciate with each passing day.

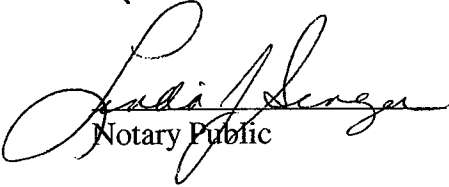

WHEREFORE, it is respectfully requested that the Court grant Defendant's motion in its entirety.

(a) *Inspection/Acceptance.* The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. The Government must exercise its post-acceptance rights --

(1) Within a reasonable time after the defect was discovered or should have been discovered; and

(2) Before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

(b) *Assignment.* The Contractor or its assignee may assign its rights to receive payment due as a result of performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency in accordance with the Assignment of Claims Act (31 U.S.C.3727). (e) *Definitions.* The clause at FAR 52.202-1, Definitions, is incorporated herein by reference.

The Contractor shall notify the Contracting Officer in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to the Contracting Officer of the cessation of such occurrence.

(g) *Invoice.*

(1) The Contractor shall submit an original invoice and three copies (or electronic invoice, if authorized) to the address designated in the contract to receive invoices. An invoice must include --

(j) **Risk of loss.** Unless the contract specifically provides otherwise, risk of loss or damage to the supplies provided under this contract shall remain with the Contractor until, and shall pass to the Government upon:

(1) Delivery of the supplies to a carrier, if transportation is f.o.b. origin; or

(2) Delivery of the supplies to the Government at the destination specified in the contract, if transportation is f.o.b. destination.

(k) **Taxes.** The contract price includes all applicable Federal, State, and local taxes and duties.

(o) *Warranty.* The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

(p) *Limitation of liability.* Except as otherwise provided by an express warranty, the Contractor will not be liable to the Government for consequential damages resulting from any defect or deficiencies in accepted items.

The specification.

- (1) Unless exempted by an addendum to this contract, the Contractor is responsible during performance and through final payment of any contract for the accuracy and completeness of the data within the CCR database, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. CCR database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the CCR database to ensure it is current, accurate and complete. Updating information in the CCR does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(2)

(i) If a Contractor has legally changed its business name,    doing business as    name, or division name (whichever is shown on the contract)   , or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in Subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to:

(A) Change the name in the CCR database;

(B) Comply with the requirements of Subpart 42.12 of the FAR;

(C) Agree in writing to the timeline and procedures specified by the responsible Contracting Officer. The Contractor must provide with the notification sufficient documentation to support the legally changed name.

(ii) If the Contractor fails to comply with the requirements of paragraph

(i) (2) (i) of this clause, or fails to perform the agreement at paragraph

(i) (2) (i) (C) of this clause, and, in the absence of a properly executed novation or change-of-name agreement, the CCR information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the    Suspension of Payment    paragraph of the electronic funds transfer (EFT) clause of this contract.

task orders by the individuals or activities designated in the Schedule. Such orders may be issued from 1 April 2006 through 31 March 2011.

(b) All delivery orders or task orders are subject to the terms and conditions of this contract. In the event of conflict between a delivery order or task order and this contract, the contract shall control.

(End of clause)

#### 52.216-19 ORDER LIMITATIONS. (OCT 1995)

(a) Minimum order. When the Government requires supplies or services covered by this contract in an amount of less than 1 EA, the Government is not obligated to purchase, nor is the Contractor obligated to furnish, those supplies or services under the contract.

(b) Maximum order. The Contractor is not obligated to honor:

(1) Any order for a single item in excess of 90EA;

(2) Any order for a combination of items in excess of 90EA; or

(3) A series of orders from the same ordering office within 30 days that together call for quantities exceeding the limitation in subparagraph (1) or (2) above.

(c) If this is a requirements contract (i.e., includes the Requirements clause at subsection 52.216-21 of the Federal Acquisition Regulation (FAR)), the Government is not required to order a part of any one requirement from the Contractor if that requirement exceeds the maximum-order limitations in paragraph (b) above.

(d) Notwithstanding paragraphs (b) and (c) above, the Contractor shall honor any order exceeding the maximum order limitations in paragraph (b), unless that order (or orders) is returned to the ordering office within 10 days after issuance, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. (d) Any order issued during the effective period of this contract and not completed within that period shall be completed by the Contractor within the time specified in the order. The contract shall govern the Contractor's and Government's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period; provided, that the Contractor shall not be required to make any deliveries under this contract after 31 March 2011.

(End of clause)

(c) The contractor agrees to locally have available a minimum of 10 vehicles at the subcontractor, No-Lemon's location. If the contractor receives a task order for the maximum quantity, 90EA, the contractor agrees to supply the quantity within 2 weeks with no increase in price regardless if the vehicles were purchased by the local market or directly from their distributor.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 5 years.

(End of clause)

52.229-6 TAXES--FOREIGN FIXED-PRICE CONTRACTS (JUN 2003)

(a) To the extent that this contract provides for furnishing supplies or performing services outside the United States and its outlying areas, this clause applies in lieu of any Federal, State, and local taxes clause of the contract.

(b) Definitions. As used in this clause--

"Contract date," means the date set for bid opening or, if this is a negotiated contract or a modification, the effective date of this contract or modification.

Country concerned means any country, other than the United States and its outlying areas, in which expenditures under this contract are made.

"Tax" and "taxes," include fees and charges for doing business that are levied by the government of the country concerned or by its political subdivisions.

"All applicable taxes and duties," means all taxes and duties, in effect on the contract date, that the taxing authority is imposing and collecting on the transactions or property covered by this contract, pursuant to written ruling or regulation in effect on the contract date.

"After-imposed tax," means any new or increased tax or duty, or tax that was exempted or excluded on the contract date but whose exemption was later revoked or reduced during the contract period, other than excepted tax, on the transactions or property covered by this contract that the Contractor is required to pay or bear as the result of legislative, judicial, or administrative action taking effect after the contract date.

"After-relieved tax," means any amount of tax or duty, other than an excepted tax, that would otherwise have been payable on the transactions or property covered by this contract, but which the Contractor is not required to pay or bear, or for which the Contractor obtains a refund, as the result of legislative, judicial, or administrative action taking effect after the contract date.

"Excepted tax," means social security or other employment taxes, net income and franchise taxes, excess profits taxes, capital stock taxes, transportation taxes, unemployment compensation taxes, and property taxes. "Excepted tax" does not include gross income taxes levied on or measured by sales or receipts from sales, property taxes assessed on completed supplies covered by this contract, or any tax assessed on the Contractor's possession of, interest in, or use of property, title to which is in the U.S. Government.

(c) Unless otherwise provided in this contract, the contract price includes all applicable taxes and duties, except taxes and duties that the Government of the United States and the government of the country concerned have agreed shall not be applicable to expenditures in such country by or on behalf of the United States.

(d) The contract price shall be increased by the amount of any after-imposed tax or of any tax or duty specifically excluded from the contract price by a provision of this contract that the Contractor is required to pay or bear, including any interest or penalty, if the Contractor states in writing that the contract price does not include any contingency for such tax and if liability for such tax, interest, or penalty was not incurred through the Contractor's fault, negligence, or failure to follow instructions of the Contracting Officer or to comply with the provisions of paragraph (i) below.

W91B4M-06-D-0001

P00001

Page 101 of 131

(e) The contract price shall be decreased by the amount of any after-relieved tax, including any interest or penalty. The Government of the United States shall be entitled to interest received by the Contractor incident to a refund of taxes to the extent that such interest was earned after the Contractor was paid by the Government of the United States for such taxes. The Government of the United States shall be entitled to repayment of any penalty refunded to the Contractor to the extent that the penalty was paid by the Government.

(f) The contract price shall be decreased by the amount of any tax or duty, other than an excepted tax, that was included in the contract and that the Contractor is required to pay or bear, or does not obtain a refund of, through the Contractor's fault, negligence, or failure to follow instructions of the Contracting Officer or to comply with the provisions of paragraph (i) below.

(g) No adjustment shall be made in the contract price under this clause unless the amount of the adjustment exceeds \$250.

(h) If the Contractor obtains a reduction in tax liability under the United States Internal Revenue Code (Title 26, U.S. Code) because of the payment of any tax or duty that either was included in the contract price or was the basis of an increase in the contract price, the amount of the reduction shall be paid or credited to the Government of the United States as the Contracting Officer directs.

(i) The Contractor shall take all reasonable action to obtain exemption from or refund of any taxes or duties, including interest or penalty, from which the United States Government, the Contractor, any subcontractor, or the transactions or property covered by this contract are exempt under the laws of the country concerned or its political subdivisions or which the governments of the United States and of the country concerned have agreed shall not be applicable to expenditures in such country by or on behalf of the United States.

(j) The Contractor shall promptly notify the Contracting Officer of all matters relating to taxes or duties that reasonably may be expected to result in either an increase or decrease in the contract price and shall take appropriate action as the Contracting Officer directs. The contract price shall be equitably adjusted to cover the costs of action taken by the Contractor at the direction of the Contracting Officer, including any interest, penalty, and reasonable attorneys' fees.

(End of clause)

52.232-23 ASSIGNMENT OF CLAIMS (JAN 1986) - ALTERNATE I (APR 1984)

(a) The Contractor, under the Assignment of Claims Act, as amended, 31 U.S.C. 3727, 41 U.S.C. 15 (hereafter referred to as "the Act"), may assign its rights to be paid amounts due or to become due as a result of the performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency. The assignee under such an assignment may thereafter further assign or reassign its right under the original assignment to any type of financing institution described in the preceding sentence. Unless otherwise stated in this contract, payments to an assignee of any amounts due or to become due under this contract shall not, to the extent specified in the Act, be subject to reduction or setoff.

(b) Any assignment or reassignment authorized under the Act and this clause shall cover all unpaid amounts payable under this contract, and shall not be made to more than one party, except that an assignment or reassignment may be made to one party as agent or trustee for two or more parties participating in the financing of this contract.

(c) The Contractor shall not furnish or disclose to any assignee under this contract any classified document (including this contract) or information related to work under this contract until the Contracting Officer authorizes such action in writing.

52.246-4 INSPECTION OF SERVICES--FIXED-PRICE (AUG 1996)

(a) Definitions. "Services," as used in this clause, includes services performed, workmanship, and material furnished or utilized in the performance of services.

(b) The Contractor shall provide and maintain an inspection system acceptable to the Government covering the services under this contract. Complete records of all inspection work performed by the Contractor shall be maintained and made available to the Government during contract performance and for as long afterwards as the contract requires.

(c) The Government has the right to inspect and test all services called for by the contract, to the extent practicable at all times and places during the term of the contract. The Government shall perform inspections and tests in a manner that will not unduly delay the work.

(d) If the Government performs inspections or tests on the premises of the Contractor or a subcontractor, the Contractor shall furnish, and shall require subcontractors to furnish, at no increase in contract price, all reasonable facilities and assistance for the safe and convenient performance of these duties.

(e) If any of the services do not conform with contract requirements, the Government may require the Contractor to perform the services again in conformity with contract requirements, at no increase in contract amount. When the defects in services cannot be corrected by reperformance, the Government may (1) require the Contractor to take necessary action to ensure that future performance conforms to contract requirements and (2) reduce the contract price to reflect the reduced value of the services performed.

(f) If the Contractor fails to promptly perform the services again or to take the necessary action to ensure future performance in conformity with contract requirements, the Government may (1) by contract or otherwise, perform the services and charge to the Contractor any cost incurred by the Government that is directly related to the performance of such service or (2) terminate the contract for default.

(End of clause)

52.246-20 WARRANTY OF SERVICES (MAY 2001)

(a) Definition.

"Acceptance," as used in this clause, means the act of an authorized representative of the Government by which the Government assumes for itself, or as an agent of another, ownership of existing and identified supplies, or approves specific services, as partial or complete performance of the contract.

(b) Notwithstanding inspection and acceptance by the Government or any provision concerning the conclusiveness thereof, the Contractor warrants that all services performed under this contract will, at the time of acceptance, be free from defects in workmanship and conform to the requirements of this contract. The Contracting Officer shall give written notice of any defect or nonconformance to the Contractor immediately upon discovery. This notice shall state either (1) that the Contractor shall correct or reperform any defective or nonconforming services, or (2) that the Government does not require correction or reperformance.

The vehicles must be fully mission capable in accordance with Section 2, Vehicle Condition and Acceptance of the SOW. The contractor(s) will only be responsible for scheduled routine maintenance and maintain vehicles under warranty. The collision repairs and unscheduled maintenance will be performed with a separate contract and possibly under a different contractor(s). The contractor(s) shall only deliver vehicles called out from the standardized vehicle lease price list. The negotiated price list will be incorporated into the contract.

## **SECTION 2, VEHICLE CONDITION AND ACCEPTANCE.**

**2.1 Vehicle Condition.** All vehicles delivered will be safe and serviceable in accordance with manufacturer's specifications.

**2.1.1** Fluids, including fuel, full at initial delivery and after maintenance service.

**2.1.2** Have serviceable seatbelts for the driver and passengers.

**2.1.3** Have serviceable lights (interior and exterior), windshield wipers, horn, parking brake.

**2.1.4** Have tires with a minimum of 5mm tread depth, including spare and vehicle jack to replace it.

**2.1.5** Have window glass and mirrors, rear and side view, with no visible cracks

**2.1.6** Manufacturer's Operator's Manual in glove compartment.

**2.1.9** Left hand steering wheel (must be originally from the manufacture).

### **2.2 Vehicle Acceptance.**

The government will only be liable for future damages caused by negligence of U.S. personnel. A joint contractor/government inspection shall be performed on all vehicles and equipment before acceptance. The inspection shall be documented on Attachment A, "Vehicle Inspection, Initial Delivery" checklist with photos (if applicable) and both parties will retain a copy. A copy of the warranty will be provided upon delivery of the vehicle. All discrepancies must be fixed prior to final acceptance. If the contractor(s) fails to replace the vehicle or correct the defects as required by the Contracting Officer, the Government may:

**2.2.1** By contract or otherwise, correct the defect or arrange for the lease of a similar vehicle and shall charge or set off against the contractor(s) any excess costs occasioned thereby; or

**2.2.2** Terminate the contract.

## **SECTION 3, SCHEDULED MAINTENANCE.**

**3.1** The contractor(s) is responsible for scheduled maintenance and unscheduled maintenance for those parts covered under the manufacturer's warranty. The contractor(s) shall perform scheduled maintenance at a facility he designates at least every 90 days. He will provide all parts, labor, and expertise necessary to complete required maintenance tasks. Parts include those items that must be replaced due to fair wear

and tear such as windshield wipers, tires, headlamps, filters, fluids, and lubricants. The contractor(s) is responsible for maintaining the schedule and notifying the COR a minimum of 1 week in advance of scheduled maintenance of the leased vehicle. Scheduled maintenance will be documented and signed by a site representative, a copy will be turned into the COR.

3.2 When performing the vehicle inspection and diagnostic checks, the mechanic must repair or service the vehicle to a safe and serviceable condition if it is part of routine maintenance. If it is not part of routine maintenance, the contractor(s) must stop all work and contact the COR. The COR will coordinate with the contractor(s) who performs unscheduled maintenance. Before accepting the serviced vehicle, the fuel tank must be full. The cost of the scheduled maintenance will be included in the vehicle lease cost and therefore, the contractor(s) will not bill the Government for it separately. The inspection and service must include, at the minimum, the Attachment B, "Vehicle Maintenance Checklist".

3.3 If a vehicle repair is more than 72 hours, the leasing agent will replace the disabled vehicle with a like vehicle at no additional cost to the Government.

#### SECTION 4, QUALITY CONTROL PLAN.

4.1 Quality Control. The contractor(s) shall employ his commercial quality control procedures in the performance of the requirements of this contract to ensure the vehicles are maintained in accordance with the manufacture's service schedule and best industry practices.

4.2 Quality Assurance. The government will periodically evaluate the contractor(s)' performance by appointing a representative(s) to monitor the performance. The Quality Assurance Personnel (QAP) will evaluate the contractor(s)' performance through monthly and random on-site inspections of the contractor(s)' quality control program and an analysis of the compliance with the Service Delivery Schedule as contained in this SOW. The government may inspect each task as completed or increase the number of quality control inspections if called for by repeated failures discovered during quality control inspections or repeated customer complaints. Likewise, the government may decrease the number of quality control inspections if performance dictates.

4.3 Government Remedies. The contracting officer shall follow FAR 52.212.4, Contract Terms and Conditions-Commercial Items (October 2003), for contractor(s)' failure to perform satisfactory services or failure to correct non-conforming services.

#### SECTION 5, SERVICE DELIVERY SUMMARY (SDS).

##### 5.1 Performance Objective

The SDS cites the key performance objectives (services) and the associated thresholds that must be attained, over which the Government will exercise surveillance. The absence of any contract requirement from the SDS shall not detract from its enforceability nor limit the rights or remedies of the Government under any other provision of the contract.

Performance Objective	SOW Reference	Performance Threshold	Method of Surveillance
1. Service the vehicles to safe and serviceable conditions IAW manufacturer's specifications and Attachment B	3	No more than 5% of the vehicles repaired experience repeat maintenance for the same repair action.	90 Day Inspection and 5 valid customer complaints

2. Provide accurate documentation, as requested, on services performed to the COR	7.1	95% of the time.	Random Inspections

## SECTION 6, RETURNING, REIMBURSEMENT AND REPLACEMENT.

**6.1 Returning.** Any damages the U.S. Government is responsible for will be repaired to the condition received before returning the vehicle back to the leasing agent at a fair and reasonable price. The U.S. Government is only liable for damages and repairs if the vehicle was in the possession of a government personnel. The Government is not responsible for damages accepted on the "Initial Delivery and Acceptance Inspection Checklist" (Attachment A), as these damages existed before the U.S. Government received the vehicle. A joint contractor/government inspection shall be performed on the vehicle. The inspection shall be documented on Attachment C, "Vehicle Inspection, Returned to Leasing Agent" checklist with photos (if applicable) and both parties will retain a copy.

**6.2 Reimbursement.** If a vehicle has been damaged in the Government's possession and the cost of vehicle maintenance and/or collision repair is 75% or more than the actual value of the vehicle, the contractor(s) will be reimbursed the actual value of the vehicle minus depreciation. The vehicle's actual value may be determined by the Kelly Blue Book via [www.kbb.com](http://www.kbb.com) or based on the purchase receipt minus depreciation, whichever is the lowest. The Government will consider the Afghanistan conditions when depreciating the value of the vehicle. The contractor(s) will be required to provide the Government the original purchased invoice for the damaged vehicle. Once reimbursed, the damaged vehicle will be the property of the U.S. Government. The damage may be caused by act of terrorism, war, or an accident, but, not through normal wear and tear.

**6.3 Replacement.** Vehicles will be replaced or the price will be reduced for the following reasons:

### 6.3.1 KM Exceeds Tier Category.

**6.3.1.1** For tier 1, if the vehicle's KM exceeds the tiers threshold of 20,000KM and therefore is equal to a tier 2 characteristics, the vehicle will be replaced with another tier 1, of the same model, or the price will be reduced to tier 2 price. If the vehicle is reduced to a tier 2 and the vehicle exceeds its threshold of 40,000KM the vehicle shall be replaced with a tier 1 vehicle.

**6.3.1.2** For tier 2, if the vehicle's KM exceeds the tiers threshold of 40,000KM, the vehicle will be replaced with another tier 2 vehicle, of the same model.

**6.3.2 A Vehicle is a "Lemon".** If a leased vehicle is a "lemon", the Government is entitled to a replacement vehicle and refund of the unfixable vehicle maintenance repair cost, if incurred. For a vehicle to be classified as a "lemon" the car must (1) have substantial defect covered by the warranty within 1 year and/ or (2) not be fixed after a reasonable number of repair attempts. A "substantial defect" is a problem that impairs the vehicle's use, value, or safety, such as faulty brakes or steering. Substantial defects do not include operator's abuse nor minor defects, such as loose radio knobs and door handles. The leasing agent is given reasonable number of attempts to repair the vehicle at no charge to the Government before being required to replace the defective vehicle with a serviceable vehicle of the same

W91B4M-06-D-0001  
0002  
Page 8 of 14

type. If the defect is a serious safety defect (for example, involving brakes or steering), it must be repaired after one attempt or be replaced. If the defect is not a serious safety defect, it must be fixed after two attempts. If the vehicle is in the shop for more than 30 days in a one-year period to fix two substantial defects it is classified as a "lemon" and it will be replaced with same vehicle type at no additional cost to the Government.

#### **SECTION 7, GOVERNMENT FURNISHED ITEMS AND SERVICES.**

**7.1 Fuel.** The government is responsible for supplying the fuel used in the vehicles after delivery. (The contractor(s) is responsible to fill the fuel tank before initial delivery and after every scheduled maintenance.)

#### **SECTION 8, CONTRACTOR(S) FURNISHED ITEMS AND SERVICES.**

**8.1 Records.** The contractor(s) shall maintain records of transactions with the U.S. Government and, upon request, make such records available to properly designated contract representatives within a reasonable period of time.

**8.2 Point of Contact.** The contractor(s) will provide points of contact within his company to coordinate with the Contracting Officer Representative (COR) on issues concerning rental vehicles. Name (s), business address, cell phone numbers, e-mail address, and hours of operation are the minimum information requirements. Arrangements for contacting the contractor's points of contact after normal business hours should also be made available.

**8.3 Invoicing.** The contractor(s) will invoice monthly for the vehicle lease. The invoice will be submitted to the COR no later than the last day of the month.

**8.4 Custom Taxes.** The contractor(s) will be responsible for paying customs tax since the U.S. Government is only leasing the vehicle. The exemption from custom's tax only applies if the U.S. Government was buying the vehicle.

#### **9. GENERAL.**

While under the Government's possession, the Government will be allowed to make minor physical adjustments to the lease vehicle for safety and security. Before the vehicle is returned back to the contractor the Government is responsible for repairing damages caused by such modifications.

For a vehicle to be classified as a "lemon" the car must (1) have substantial defect covered by the warranty within 1 year and/ or (2) not be fixed after a reasonable number of repair attempts. A "substantial defect" is a problem that impairs the vehicle's use, value, or safety, such as faulty brakes or steering. Substantial defects do not include operator's abuse nor minor defects, such as loose radio knobs and door handles. The leasing agent is given reasonable number of attempts to repair the vehicle at no charge to the Government before being required to replace the defective vehicle with a serviceable vehicle of the same type. If the defect is a serious safety defect (for example, involving brakes or steering), it must be repaired after one attempt or be replaced. If the defect is not a serious safety defect, it must be fixed after two attempts. If the vehicle is in the shop for more than 30 days in a one-year period to fix two substantial defects it is classified as a "lemon" and it will be replaced with same vehicle type at no additional cost to the Government.

Section 6. Seller's Obligations Under the Contract. Purchaser shall have all of the rights of the Seller under the Contract, but none of Seller's obligations thereunder. This Agreement (and the assignment of such rights) shall not relieve Seller of any of its obligations under the Contract and Seller shall continue to perform all such obligations. Purchaser shall not be obligated to assume, and by its acceptance of this assignment shall not be deemed to have assumed, any of Seller's obligations under the Contract.

Section 7. Indemnification. Seller hereby agrees to indemnify and save Purchaser harmless from and against any and all costs, losses, expenses (including attorneys' fees), damages, claims, demands, actions, causes of actions and judgments of any nature arising out of, or resulting from, Seller's breach of the covenants, representations and warranties contained in this Agreement. Purchaser will indemnify and save Seller harmless from and against any and all costs, losses, expenses (including attorneys' fees), damages, claims, demands, actions, causes of actions and judgments of any nature arising out of, or resulting from, Purchaser's actions or failure to act in connection with the Assigned Interests. The indemnity set forth in this Section shall survive the expiration or earlier termination of this Agreement or the Contract with respect to acts or events occurring or alleged to have occurred prior to such expiration or early termination.

Section 8. Covenants and Agreements. Seller hereby covenants and agrees with Purchaser as follows:

(a) Purchaser may endorse Seller's name on any remittances received from the User with respect to the Contract and/or the Property.

(b) Seller shall pay, or cause to be paid by the User all personal property taxes, including tangible and intangible personal property, license, privilege, documentary, sales and other like taxes or charges or taxes in lieu thereof, applicable to any of the transactions contemplated by this Agreement, and which have been imposed, assessed or accrued at or prior to the time of assignment against the Property, this Agreement, the Contract or Purchaser, except for taxes measured or imposed on the net income of Purchaser.

(c) Seller shall, from time to time at the request of Purchaser, execute and deliver such further acknowledgments, agreements and instruments of assignment, transfer and assurance, and do all such further acts and things as may be necessary or appropriate in the reasonable opinion of Purchaser to give effect to the provisions hereof and to more perfectly confirm the rights, titles and interests hereby assigned and transferred to Purchaser.

(d) Seller shall notify Purchaser promptly upon obtaining knowledge of any default in the performance of the User's obligation under the Contract, including, without limitation, the payment of sums due under the Contract.

(e) Seller will not, without Purchaser's prior written consent: solicit or accept collection of any installment payments due under the Contract; modify, amend or terminate the Contract; waive any of Purchaser's rights thereunder; or take any action which impairs the rights or interest of Purchaser with respect to the Contract.

(f) If any payments under the Contract are made to Seller after the effective date of this Agreement, Seller agrees to promptly transmit such payment(s) to Purchaser in the same form as they are received, except that Seller will endorse, to the order of Purchaser, checks so received which are made payable to it, or otherwise pay such amount to Purchaser.

(g) Seller shall allow Purchaser and its representatives free access and right of inspection at all times to any Equipment at its location, subject, however, to the rights of the User under the Contract.

**Section 9. Miscellaneous.** This Agreement shall be governed by, and interpreted and enforced under, the internal laws of the State of Utah (without regard to the conflict of laws principles of such state). All references herein to any agreements shall be to such agreement as amended or modified to the date of reference. Entire Agreement; No Assignment.** This Agreement is the entire agreement between Purchaser and Seller with respect to the subject matter hereof and it may not be supplemented or amended except by a writing, which is signed by both parties. This Agreement shall inure to the benefit of and be binding on Seller and Purchaser, and their respective successors and assigns. Notwithstanding the foregoing, Seller may not assign its rights, or delegate its obligations, under this Agreement without the express prior written consent of Purchaser. Purchaser may assign its rights and obligations hereunder, in whole or in part, at any time.

**Section 11. Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all such counterparts shall constitute but one and the same instrument.

**Section 12. Not an Extension of Credit.** This Agreement constitutes a sale of 100% ownership interest in the Assigned Interest and shall in no way be construed as an extension of credit by Purchaser to Seller. Subject FW: OLG Contract Task Order 31

Ron, This letter is a result of actions by the DOD. The DOD sent our contract renewal today with major changes. We have extended the contract as is for 30 days while issues are worked out.

I am sending the emails under separate cover.

In light of the above, and despite the fact of the litigation I think we should meet in NY on Wednesday and Thursday to work out the best way to deal with this latest development.

We did have a long conversation with the Colonel and I will share that with you at the meeting or verbally. Your choice

George Badcock

**Subject:** OLG Contract Task Order 31

Mr. Badcock,

This e-mail is to confirm our discussions of earlier today.

Due to operational circumstances involving increased insurgent activity in and around the Camp Eggers and Camp Phoenix areas of Kabul, Afghanistan, we are no longer able to travel in soft skin vehicles. As such, the Combined Security Transition Command - Afghanistan (CSTC-A) requires the return of 90%+ of all soft skinned vehicles to OLG. As Task Order 31 has expired, CSTC-A needs to return the vehicles to OLG asap.

This will allow for the appropriate planning/budgeting to occur for up-armored vehicles and will stop the accrual of additional costs to the Govt for vehicles that are not being utilized due to battle conditions. The Government is returning these vehicles and requires final billing to cover the unpaid portion of the Task Order.

Thank you for your attention in this matter.
